The vendor shall submit:

The attached MTR monthly (See Attachment J.4) by the 10th of the month. This MTR is to include information about progress addressing substance abuse and mental health issues. In addition to a second page that summaries the frequencies of all treatment provided in the month including groups, individual sessions, 12-Step meetings, cognitive behavioral groups, meetings with the psychiatrist, and family treatment, the vendor is to provide a five axis DSM diagnosis, and a list of all psycho-tropic medications.
